Plaintiff,  
v.  
ANTOINE FOWLER,  
Defendant.

Case No. 17-cr-00180-RS-2

## **ORDER DENYING REDUCTION IN SENTENCE**

Defendant Antoine Fowler again moves for a reduction in his sentence, his third such motion in the last year. As Fowler acknowledges by additionally captioning his motion as a request for reconsideration, his arguments are substantially repetitive of those in his prior motions. For the reasons previously set out—*see* Dkt. Nos. 348 and 357—the motion is denied.

## **IT IS SO ORDERED.**
